

RAISE IT FOR CANCER

#RaiseItforCancer

Every year 1,100 young people in Australia will be diagnosed with cancer. By donating to Canteen today you can help them stand up to cancer.

Here's the difference your money can make.

\$25

Provides an information resource to guide a young person through the challenges of living with cancer.

\$50

Provides a young person who has been diagnosed with cancer with an online or telephone counselling session.

\$75

Covers a counselling session for a young person, where they get professional support dealing with the emotions and feelings associated with a cancer diagnosis.

\$100

Means a young person can attend a recreation day, which allows them to take a break from the daily pressures of cancer.

\$500

Allows a young cancer patient to attend a 3 day patient program and connect with our others going through a similar experience.
