
TOP FUNDRAISING TIPS

Engage

the community and personalise your page! Use your online page to add a profile photo, blog about your journey and tell your story.

Kickstart

your fundraising and make a personal donation! Others will follow your lead.

Share far and wide

on all your social media platforms and don't forget sending personal text messages with your page link is a great way to raise funds!

Have a chat

with family, friends, co-workers and local business groups about your fundraising and what a difference their support would make, we have lots of downloads available you can use to help with this.

Ask for support, remember your workplace may be able to offer dollar matching to every dollar you raise.

**Say
THANK YOU**

Thank you! Your amazing support makes all this possible!
